

PARTNERSHIP NEWS

Welcome to the Summer edition of the Regional Partnership Board newsletter.

The Regional Partnership Board (RPB) is made up of Cardiff Council, Vale of Glamorgan Council, Cardiff and Vale University Health Board, Welsh Ambulance Services NHS Trust, housing, third & independent sectors and carer representatives.

Our aim is to improve the health and well-being of the population and improve how health and care services are delivered by making sure people get the right support, at the right time, in the right place.

Here you'll find updates on emerging themes, future actions, and collaborative efforts involving health professionals, third-sector organisations, and the public.
